SSCF Newsletter *December 2020*

IN HONOR OF CHRISTOPHER

In January of 2020 the Conti family, of Fredonia, NY, launched a passion project more than 30 years in the making.

In 1984, after the death of 18-year-old Christopher John Conti, I, the family struggled with the grief of saying goodbye and the financial burden of laying a loved one to rest.

To honor Christopher's life of kindness and joy, through the SonShine Charitable Fund, the Conti family is inviting you to join them in this mission:

To financially assist families who have experienced the death of a child by offering monetary grants to help with some portion of funeral costs.

NEEDS HAVE ALREADY BEEN MET, BUT...

In 2020, as the Fund was being established, preliminary donations allowed us to provide grants to four families.

We have already been blessed by a few donors who are committed to the success of our cause and our executive board is working to ensure that we are able to continue our mission in the upcoming year.

If you know of or are a family who needs assistance, please access our contact information using the QR code or any of the links in this newsletter.

WHAT LIES AHEAD?

Since average funeral costs in 2020 exceed \$7000 (<https://worldpopulationreview.com/>), fundraising and raising public awareness must remain our top priorities.

2021 will bring special events that will give the public a chance to get involved in the important work we are doing, opportunities to learn more about our goals and about those who are helping to make them a reality.

We invite you to visit our website, to "like" our Facebook page and to share this and future newsletters with others.

If you would like to get involved as a volunteer or have a resource that may help us achieve our mission of raising funds for families, we would love to hear from you. Contact us at our Gmail account or send a message through our website or Facebook page.

Donations can be made via PayPal or credit card using the link on our website:
